

Medical Radiation Practice Board of Australia

Approved programs of study – General Registration

In accordance with Section 53(a) of the *Health Practitioner Regulation National Law Act* as in force in each State and Territory (National Law) individuals are qualified for general registration if they hold an approved qualification.

“Transitioned as approved” means the program transitioned as an approved program of study under section 283 of the National Law.

The Medical Radiation Practice Board of Australia may make changes to its approval of a program of study in accordance with section 51 of the National Law

<i>Qualifications that lead to General registration as a medical radiation practitioner (Diagnostic Radiography)</i>		
Education Provider	Qualification	Duration of Program
Central Queensland University	Bachelor of Medical Imaging	4 Years
Charles Sturt University	Bachelor of Medical Radiation Science (Medical Imaging) (with and without honours)	4 years
Curtin University of Technology	Bachelor of Science (Medical Imaging Science)	4 Years
Monash University	Bachelor of Radiography and Medical Imaging	4 Years
University of South Australia	Bachelor of Medical Radiation Science (Medical Imaging)	4 Years

<i>Qualifications that lead to General registration as a medical radiation practitioner (Radiation Therapy)</i>		
Education Provider	Qualification	Duration of Program
Monash University	Master of Medical Radiations (Radiation Therapy)	2 Years
University of South Australia	Bachelor of Medical Radiation Science (Radiation Therapy)(4Year)	4 Years

<i>Qualifications that lead to General registration as a medical radiation practitioner (Nuclear medicine technology)</i>		
Education Provider	Qualification	Duration of Program
Charles Sturt University	Bachelor of Medical Radiation Science (Nuclear Medicine) (with and without honours)	4 Years

Medical Radiation Practice Board of Australia

Approved programs of study – Provisional Registration

In accordance with Section 62(a) of the *Health Practitioner Regulation National Law Act* as in force in each State and Territory (National Law) individuals are qualified for provisional registration if they hold an approved qualification.

“Transitioned as approved” means a program transitioned as an approved program of study under section 283 of the National Law.

The Medical Radiation Practice Board of Australia may make changes to its approval of a program of study in accordance with section 51 of the National Law

Practitioners with provisional registration are required to undertake a period of supervised practice approved by the Board

Qualifications that lead to Provisional registration as a medical radiation practitioner (Diagnostic Radiography)		
Education Provider	Qualification	Duration of Program
Charles Sturt University	Bachelor of Applied Science (Medical Imaging) (Conversion)	3 years
Charles Sturt University	Bachelor of Medical Radiation Science (Medical Imaging)	3 years
Curtin University of Technology	Master of Medical Imaging Science	2 years
Queensland University of Technology	Bachelor of Applied Science Medical Radiation Technology (Medical Imaging Technology)	3 years
RMIT University	Bachelor of Applied Science in Medical Radiations	3 years
RMIT University	Bachelor of Applied Science (Medical Radiations) – Medical Imaging	3 years
RMIT University	Master of Medical Radiations (Medical Imaging)	2 years
University of Newcastle	Bachelor of Medical Radiation Science (Diagnostic Radiography)	3 years
University of Sydney	Bachelor of Applied Science (Medical Radiation Sciences) Diagnostic Radiography	3 years
University of Sydney	Master of Diagnostic Radiography	2 years

Qualifications that lead to Provisional registration as a medical radiation practitioner (Radiation Therapy)		
Education Provider	Qualification	Duration of Program
Queensland University of Technology	Bachelor of Applied Science Medical Radiation Technology (Radiotherapy Technology)	3 years
RMIT University	Bachelor of Applied Science (Medical Radiations) – Radiation Therapy	3 years
University of Newcastle	Bachelor of Medical Radiation Science (Radiation Therapy)	3 years
University of South Australia	Bachelor of Medical Radiation (Radiation Therapy)	3 years
University of Sydney	Bachelor of Applied Science (Medical Radiation Sciences) Radiation Therapy	3 years
University of Sydney	Master of Radiation Therapy	2 years

Qualifications that lead to Provisional registration as a medical radiation practitioner (Nuclear Medicine Technology)		
Education Provider	Qualification	Duration of Program
Charles Sturt University	Bachelor of Applied Science (Nuclear Medicine Technology)	3 years
Charles Sturt University	Bachelor of Medical Radiation Science (Nuclear Medicine)	3 years
RMIT University	Bachelor of Applied Science (Medical Radiations) - Nuclear Medicine	3 years
RMIT University	Master of Medical Radiations (Nuclear Medicine)	2 years
University of Newcastle	Bachelor of Medical Radiation Science (Nuclear Medicine)	3 years
University of South Australia	Bachelor of Medical Radiation (Nuclear Medicine)	3 years
University of Sydney	Bachelor of Applied Science (Medical Radiation Sciences) Nuclear Medicine	3 years
University of Sydney	Master of Nuclear Medicine	2 years
