

Medical Radiation Practice
Board of Australia

AHPRA

Medical Radiation Practitioner Registration Data: December 2013

Published January 2013

Introduction

The functions of the Medical Radiation Practice Board of Australia include:

- registering medical radiation practitioners and students
- developing standards, codes and guidelines for the Medical Radiation profession
- handling notifications, complaints, investigations and disciplinary hearings
- assessing overseas trained practitioners who wish to practise in Australia
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by Australian Health Practitioner Regulation Agency (AHPRA). For information about legislation governing our operations see AHPRA's Legislation & Publications at www.ahpra.gov.au/Legislation-and-Publications.aspx

The Board has analysed its registration data and produced a number of statistical reports about registrants to share with the profession and community. The Board will share these statistical reports regularly.

For more information on medical radiation registration, please see the Board's website: www.medicalradiationboard.gov.au/Registration.aspx

Index of Tables

Medical radiation practitioners: State and territory by registration type	2
Medical radiation practitioners: Age by registration type	3
Medical radiation practitioners: Gender by state and territory by registration type	4
Medical radiation practitioners: Registration numbers by division by state and territory	4

Please Note: The numbers in this report reflect the National Board's registration data as at 31 December 2012. These statistics include approximately 551 registrants who did not renew their registration by the end of the registration renewal late period for this profession, and were removed from the register on 3 January 2013, as required by the National Law.
